

Below are the requirements for posting of demolition requests per Section 105.3.1.1 of the 2018 *International Building Code* as amended by the city of Phoenix (see below). For additional information, please call the Planning & Development Department, Historic Preservation Office (HPO) at 602-261-8699 or email historic@phoenix.gov.

In order to assist in providing adequate notice to interested parties, the applicant for demolition requests subject to the Demolition Application Plan Review process shall erect for 30-calendar days a single sign giving notice of the request for demolition. The size, format and content of this sign shall be as described by the HPO. Such notice shall be printed and clearly legible. It shall be placed at a prominent location on the site, parallel to and visible from the street, facing the public right-of-way.

It shall be the responsibility of the applicant to erect and maintain the sign on the subject property and to maintain all information on the sign in a clear, legible manner until the demolition permit is issued.

After the sign has been posted, the applicant or their representative must submit an affidavit of posting and two photographs of the sign - one detail shot of the sign and one wide shot showing the placement of the sign on the site along with exterior photos of all four sides of the building(s). **The 30-calendar days will begin once the Historic Preservation Office has received the affidavit and the photographs and ensured they comply with the sign requirements outlined below.** HPO staff will notify the applicant about the start and end dates for the 30-day hold.
