**Shop Phoenix this holiday season to support city services**

When you shop this holiday season, remember to Shop Phoenix and give yourself the gift of community services.

Sales taxes on the merchandise you buy at businesses in Phoenix pays for city services, such as police and fire protection, maintenance of parks, keeping libraries open, operating senior centers, preserving clean and blight-free neighborhoods, and maintaining streets. Because sales tax revenue is so important to funding basic city services, making purchases within Phoenix helps ensure adequate funding for those services.

The largest revenue component for funding basic city services is sales tax, which accounts for 41 percent of General Fund revenues.

By shopping in Phoenix, residents have a direct impact to support the city services they enjoy. For more information, visit phoenix.gov/shopphoenix.

New feature makes airport parking even easier

Now there is an easier and faster alternative for parking and paying at Phoenix Sky Harbor Airport - Credit Card Express. The new service allows travelers to use their credit or debit card to enter and exit airport parking facilities.

To use Credit Card Express, travelers insert their credit or debit card into a machine upon entry and reinsert it when exiting. The system will bill the card based upon the time at the parking facility and print a receipt, eliminating the need to take a parking ticket.

Credit Card Express accepts American Express, Discover, Mastercard and Visa. For more information about airport parking options and amenities, visit skyharbor.com/parking.

‘Save Our Space’ campaign gets underway

The holidays are hectic, but that is no excuse to park in a spot reserved for people with disabilities – even if it’s just for a minute.

Motorists who illegally park in a spot designated for people with disabilities could be taking away a space from someone who really needs it. Violators face fines ranging from $288 to $480.

Police officers and volunteers will be patrolling parking lots and issuing tickets to illegally parked motorists this holiday season. To report violations, obtain information or become an enforcement volunteer, call 602-534-SPACE (7722).

For more information, visit phoenix.gov/eod, phoenix.gov/police or call 602-534-1951.

Homeless need help staying warm

During the winter, many homeless families and individuals end up on the streets without blankets, clothing and other necessities to keep warm.

Once again this year, the city is asking for donations to the Winter Respite Program. Blankets, new or used (but clean and freshly laundered), are the highest priority. The program also will accept clean warm clothing, such as jackets and coats, long pants, sweatshirts, sweatpants, winter hats and gloves. Underwear and socks (new only), shoes and hygiene items also are needed.

The tax-deductible donated items may be delivered to any of the city’s three Family Services Centers.

For more information, visit phoenix.gov/humanservices/programs/volunteer/index.html. Residents also may contact Anissa Blair at the Family Advocacy Center at 602-534-3071 or email anissa.blair@phoenix.gov.
