

PHX CONNECT

The Weekly Connection Newsletter for City of Phoenix Employees • April 2, 2020

Thank You

On behalf of city leadership, a big thank you to all city of Phoenix employees. Your dedication has not gone unnoticed! City management wants to make sure all employees know they are appreciated for their great work, wherever they may be! Posters like the one above are popping up in city buildings, and a message went out to employees, as just one way to show it.

Bus Schedule Changes

This week, Valley Metro announced a reduction in service on its Express and Rapid bus services in response to the Coronavirus health emergency. [You can see how your route is affected.](#)

These changes begin Monday, April 6 until further notice.

Wear Teal

April is Sexual Assault Awareness Month, and through the ["Let's Talk Teal"](#) campaign, the city has partnered with the Arizona Coalition to End Sexual and Domestic Violence to raise awareness about the issue. Show your support, working from home or in the office, by wearing teal on April 7, the day of action.

Weekly Update

STAY UPDATED - STAY INFORMED - STAY SAFE

Over the past week, there were many announcements made to employees regarding the Coronavirus health emergency. Here are some useful links to the latest information:

- ◆ [Episode 5 of Podcast with the City Manager](#)
- ◆ [Episode 4 of Podcast with the City Manager](#)
- ◆ [Human Resources Coronavirus web page](#)
- ◆ [Latest on city services impacted and new resources page](#)—this includes the closure of city buildings, service centers and programs.

Remember to monitor emails for Enterprise messages and [the PHXNewsroom](#) for changes to upcoming meetings and events.

In the last week, many employees voluntarily signed up for the city's Electronic Notification System (ENS). If you would like to start receiving these alerts, please contact the Help Desk.

If you are in need of medical attention while at work, consider using the dedicated health clinic for employees and their spouses inside the Banner Urgent Care in downtown Phoenix. There is also a [telemedicine](#) option.

Census: While many city employees are working from home, it's a great time to remind everyone to complete the Census. Please take just a [few minutes to complete it for your household](#).
