

# PHOENIX @WORK WEDNESDAYS

## Cathy Chapman

Senior Engineering  
Technician  
Planning & Development

Cathy joined the city 22 years ago, spending her entire time with Planning & Development. She started as a Customer Service Clerk.

In her spare time, Cathy likes to cross stitch and make handmade greeting cards.

One of her jobs is to process dedications, which is when a new development needs an easement.

She also handles abandonments, which includes lots of requirements, like approval by the City Council.

### Fast Facts

*Cathy enjoys interacting with the public and always tries to help with finding answers to their questions.*

*"I love knowing that the work I do is needed to make this community beautiful, enjoyable, and prosperous."*
