## GET MORE ACTIVE IN 2024

The new year is the perfect time to try something different! If your resolution is to be more active, consider one of the fastest-growing sports: Pickleball. Phoenix Parks and Recreation has a variety of options for players of all skill levels.

Employees who are up for a challenge can test their skills in an upcoming pickleball tournament on **Jan. 26 from noon to 6 p.m.** (with supervisor approval if the event is during your normal work hours).

Use the QR Code to register online. Space is limited to 12 two-player teams. The City also has more than 80 [indoor and outdoor](#) courts where residents can [take classes](#) and play now through May.

*Pride Denied* tells the story of how corporate sponsors coopted the concept of LGBTQ pride, turning it into a feel-good brand and blunting its radical political edge. The film locates the origins of pride in sites of grassroots resistance and revolt, going back to the anti-police Stonewall uprising led by queer and trans people of color in 1969. It then traces how the deeply political roots of pride morphed into the depoliticized big-business PRIDE™ spectacles of today.

Participants are encouraged to watch the film before the discussion on [kanopy.com](https://www.kanopy.com). Films are not shown during discussion sessions.
