

## Save web portal to mobile device home screen – iPhone

On the mobile device, go to [www.phoenix.gov/myphx311](http://www.phoenix.gov/myphx311) - the view defaults to *I Want To* tab.

Next, tap the **Share** icon.

Scroll down and tap *Add to Home Screen*.

Tap **Add**.

myPHX311 is now added as a shortcut on the mobile home screen. Tap the icon to begin.
