# ONLINE REPORTING

As of January 2013, citizens can now report specific types of low priority crimes or incidents online.

## Online reports must meet the following criteria:

- The incident must have occurred in Phoenix
- You must have a valid email address
- The value of lost or stolen property must not exceed \$10,000.00

## Online reports cannot be made for the following:

- Crimes in progress
- Vehicle accidents
- Graffiti
- Bias or hate crimes

- Crimes in which the suspect is known by you or can be positively identified
- Crimes involving stolen guns, vehicles, license plates or threats of harm
- Residential or commercial burglaries

## Acceptable types of incidents for online reporting:

- Theft from a vehicle
- Criminal damage
- Fraudulent use of a credit/debit card
- Lost property
- Identity theft
- Theft
- Stolen bicycle
- Harassing or nuisance phone calls
- Theft from vending machines
- Supplement additional information or property to an already existing online report

## Completing an online report:

- List stolen or lost property in the property section
- List the vehicle information in the vehicle section if applicable
- Make sure address blocks are filled out properly

## After completing your online report:

- You will receive a temporary tracking number (i.e., T12000243)
- Your report will be reviewed by a police officer
- If more information is needed you will be contacted through the email address you provided
- Once your report has been approved you will receive the report number (i.e., 201380001234) and a copy of the report that can be printed at home
- You will receive feedback from a police officer within 5 working days of filing your report
