2013 was a busy year for the Community Resource Squad. We organized and/or participated in several community events such as; Coffee with a Cop, monthly community meetings, bike and walk to school events, Prescription Take Backs, State Fair, Senior Safety Event, G.A.I.N. Kickoff, Precinct G.A.I.N. events, Halloween Festival, Shop with a Cop, career days, and transportation days to name a few. Our largest event hosted by the squad, at the Mountain View Precinct, was the annual Halloween Festival. It was an evening of costumes, pumpkins, mascots, contests, obstacle course, music, food and trunk or treating! We hope you had the opportunity to participate in this annual spooktacular event! Thank you to all of our community and business partners who helped make this event successful.
On December 18, 2013 Officers from the Mountain View Precinct participated in the 3rd annual “Shop with a Cop” event at Target. Sixty four children (8 per precinct) were chosen by Phoenix Police Officers to participate in a morning of festivities. Each child was personally escorted by a designated officer to Target where they were treated to breakfast, a visit from Santa, who arrived in the Phoenix Police Air Unit, followed by shopping, snacks, arts and crafts. Thank you to everyone who contributed, donated their time, and helped make this event possible.

The Mountain View Precinct will be hosting a community meeting for the express purpose of soliciting neighborhood input into our planning process on:

Wednesday, February 26, 2014
Mountain View Precinct,
2075 E. Maryland Ave.
6:30 pm.

The following questions are the questions we will ask you at the meeting, but there will plenty of time for any other questions you may have...

- In your neighborhood, what policing issues are you most concerned about?
- In your community, what is the one change you would like to see the PPD assist you with?
- Do you have an active PNP group? If not, would you be interested in forming one?
- How safe do you feel in your neighborhood?
- Do you know of any criminal activity in your neighborhood?
- Do you know who your CAO is?
- What other City Departments would you like to see participating in your Block Watch meeting?
- What information/reports would be useful to you on-line?
