

The Phoenix Police Department is now
accepting applications for the
Citizen Police Academy Classes of 2020

The six week academy meets every Thursday from 5:30pm to 9:30pm at various police locations within the city.

Visit the Training Academy and run live scenarios in our Tactical Village and experience Decision-Making using our Ti Simulator as you face critical decision making on shoot or don't shoot scenarios.

Visit the Crime Lab and hear what happens at crime scenes.

Ever wonder what happens to the evidence? Take a tour of our Property Bureau. Get an in depth look at how our 9-1-1 Communications works.

If that isn't enough, go hands on with our Special Assignments Unit (aka SWAT) and see the many tools they use to keep our citizens safe. Meet our Dive Team and Bomb Squad!

Graduation will be at our Air Support with a tour of the facility and a demonstration by our K-9 team.
