

COMMUNICATIONS

Welcome to Phoenix Police Communications!

Here's a projected timeline of what to expect during your first nine months of employment.

Come **pre-prepared** by studying the items in this welcome packet. Please call the Training Office at 602-534-1301 if you have any questions about the study material. During class you could be tested on any material covered.

You are in a probationary status your 1st year, you must meet set benchmarks, (e.g. pass tests/class; reach training goals and demonstrate needed job skills) to continue your probation.

*Note: All weeks start on Monday and end on Sunday.

**Your trainer and your shift/hours and days off (n-days) are subject to change.

During radio floor training you will work 8-hours each week in 9-1-1 to maintain the skills already learned.
