## **Hit and Run Traffic Fatality in Central Phoenix**

(February 5, 2023): Phoenix Police is investigating a hit and run traffic collision that resulted in the death of a woman and hospitalization of a man.

Phoenix Police officers responded to a call of a serious vehicle collision around 11:45 p.m. at 10<sup>th</sup> Street and McDowell Road. When officers arrived, they found three vehicles involved in a collision. Inside a gold colored car, officers saw a man and a woman with signs of trauma. The fire department responded and transported them to the hospital. The woman later died from her injuries and the man received treatment and is expected to survive.

A white colored vehicle involved in the collision was found unoccupied and officers learned an unknown male got out of the car and left the scene in a separate vehicle. There was a third vehicle struck after the initial collision and the driver did not suffer any serious injuries.

Detectives responded and learned the gold colored vehicle ran a red light while heading northbound on 10<sup>th</sup> Street and collided with the white vehicle which was heading eastbound on McDowell Road. The third vehicle involved was heading westbound on McDowell Road and was struck after the first collision.

The investigation remains active and no arrests have been made. If anyone has information, we are asking for them to call Phoenix Police or Silent Witness if they wish to remain anonymous.
