Traffic Fatality in South Phoenix

(April 2, 2023): Phoenix police are investigating a two-vehicle traffic collision that resulted in the death of a man.

Phoenix police officers responded to a call of a serious vehicle collision just before 2:45 p.m. on 7th Street, just south of University Drive. When officers arrived, they found two vehicles involved in a collision. The fire department arrived and provided medical aid to the driver of the first vehicle, later identified as 31-year-old Umi Dalla, who was later pronounced deceased on scene. The driver of the second vehicle was transported to the hospital with non-life-threatening injuries.

Detectives responded to the scene and learned Dalla was heading southbound on 7th Street in his vehicle when he crossed the center line and drove onto the northbound lanes. Dalla's vehicle then collided with the second vehicle that was heading northbound on 7th Street.

The investigation remains active as detectives continue to process the evidence. Currently, no arrests have been made.
