Overnight Collision Leaves Woman Dead Two Others Hospitalized

(September 2, 2023) Phoenix Police detectives are investigating a west valley collision that left a woman dead and two others in the hospital.

On September 2, 2023, around 1:20 a.m. officers responded to the area of 35th Avenue and South Mountain Avenue regarding a serious collision. When officers arrived, they located two vehicles and three occupants, all with injuries. An adult female was found with serious injuries. Life saving measures were attempted, however she did not survive her injuries and was pronounced deceased on scene. Two other adults involved in the collision were transported to local hospitals with serious but non-life-threatening injuries.

Detectives responded to take over the investigation. Preliminary information suggests that the vehicle being driven by the victim was traveling northbound on 35th Avenue, when it crossed into oncoming traffic and struck the other vehicle involved which was southbound on 35th Avenue. Detectives continue their scene investigation. Impairment is believed to be a factor in the collision.

The victim will be identified with the assistance of the Office of the Medical Examiner.
