## **North Valley Collision Leaves Bicyclist Dead**

(October 9, 2024) Phoenix Police detectives are investigating a north valley collision that resulted in the death of a man.

On October 8, 2024, around 7:40 p.m., officers responded to the area of 32<sup>nd</sup> Street and Greenway Road regarding a collision that involved a pedestrian. When officers arrived, they located an adult male bicyclist that had been struck by a vehicle. The man was transported to a nearby hospital where he was pronounced deceased. The vehicle involved in the collision initially fled the scene. The driver of the vehicle, a teenaged male, ultimately contacted the police a short time later.

Detectives responded to take over the investigation. Preliminary information suggests that the vehicle involved was traveling northbound on 32<sup>nd</sup> Street when it struck the male bicyclist who was crossing 32<sup>nd</sup> Street, midblock. Impairment is not believed to be a factor in this collision. Charging decisions will be made once the accident reconstruction process is complete. Additional details about the collision remain part of the ongoing investigation.
