### **Fatal Collision in North Phoenix**

(January 28, 2024) Phoenix Police detectives took over a deadly crash involving three vehicles late Friday night in North Phoenix.

Phoenix Police officers were called to investigate a collision at 45<sup>th</sup> Street and Greenway Road just before midnight on January 26, 2024. Officers got to the scene and found 26-year-old Jaime Trevino suffering from serious injuries related to the collision. Phoenix Fire responded and provided medical aid. Trevino was not able to overcome his injuries and died on scene.

Detectives responded to the scene and took over the investigation. It was learned that Trevino was driving west on Greenway Road when he veered into oncoming traffic and struck an SUV operated by a woman going east. The SUV then collided with a third car as it came to a stop. All occupants from the third car ran from the scene prior to police arrival. Further details of what led up to this deadly incident are still part of an ongoing investigation.
