## **Arrest Made in Cold Case Murder** 9 Years on the Run

(April 18, 2024) Phoenix Homicide detectives established probable case and issued an arrest warrant for Iram Quintana nearly 10 years ago for the murder of then 19-year-old Pedro Antunez-Andrade in September of 2014. Iram has been located and booked into jail for murder.

On September 23, 2014, at about 1:40 p.m., Phoenix police officers responded to a call of a shooting near 9800 North 9<sup>th</sup> Avenue. When officers arrived on scene, they located a deceased adult male victim suffering from an apparent gunshot wound. Detectives later determined that then 15-year-old Iram Quintana was the main suspect and was believed to have fled to Mexico. A warrant was issued for his arrest as Maricopa County Attorney's Office and the U.S. Marshal's Office assisted in trying to locate Quintana with no success.

On April 16, 2024, at about 8:00 a.m., patrol officers with the Phoenix Police Department contacted Quintana while investigating a trespassing call for service at an abandoned property near 12500 North 28<sup>th</sup> Drive. Quintana was taken into custody without incident and booked into jail for 2<sup>nd</sup> Degree murder.
