Phoenix Police Successfully Completes Multi-Day Operation to Reduce Crime

The Phoenix Police Department is proud to announce the successful completion of Operation Full Court Press, a five-day multi-agency initiative focused on enhancing public safety by proactively addressing violent offenders in the City of Phoenix. This coordinated effort underscores our commitment to creating a safer community for all residents.

Operation Full Court Press brought together Phoenix PD, the Maricopa County Sheriff's Office, the Maricopa County Attorney's Office, Adult Probation and the Federal Bureau of Investigation. By leveraging our partners' expertise and resources, we made significant strides in improving safety and security in our city.

The operation took place from May 6th through May 10th and resulted in the following:

- 570 arrests
 - 342 felony arrests
 - 228 misdemeanor arrests
 - 13 juveniles
- Over 3,700 fentanyl pills seized
- Nearly 30 grams of methamphetamine seized
- 25 firearms seized
- Two recovered stolen vehicle investigations with arrests

A probation search led to the discovery of a clandestine drug lab, resulting in a search warrant and seizure of multiple firearms, fentanyl, psychedelics, methamphetamine and firearm accessories, such as suppressors.

The operation also aided in arrests involving gangs, human exploitation and trafficking, prostitution and organized retail crime.
