We are deeply troubled to confirm the arrest of one of our officers related to an ongoing FBI investigation. The Department took immediate action upon learning of the investigation due to the gravity of the allegations.

We have initiated the disciplinary process, up to and including termination of the officer, in accordance with the due process rights afforded to public employees.

We are cooperating fully with federal authorities. Any information regarding the investigation will come from the FBI.

We hold ourselves to the highest standards and understand that incidents like this can erode public trust. We are committed to rebuilding that trust through our actions and ongoing dedication to serving and protecting our community.

We will remain transparent through this process and will provide updates when appropriate. We appreciate the community support during this time.
