MEDIA ADVISORY

UPDATE: May 2, 2024

Former Officer Alaa Bartley has separated from employment with the City of Phoenix Police Department. Bartley tendered his resignation on April 18, 2024, prior to scheduled administrative action.

The Phoenix Police Department has identified cases for review, dating back to 2008, in which Bartley was one of the initial responding officers. Those cases were independently investigated by detectives under normal protocols without Bartley's involvement. We are also working with the Maricopa County Attorney's Office to review cases that have been submitted for prosecution dating back to 2012.

Attached you will find Bartley's work assignment history during his time with the Department, his Professional Standards Bureau history, and his picture.

Statement on Officer Indictment

The Phoenix Police Department just received a copy of an indictment against one of our employees, Alaa Bartley, for receiving and possessing child pornography.

These alleged actions are despicable and fundamentally opposed to the values our department and the law enforcement community.

"What is alleged, is contrary to the courageous work done every day by the men and women of the Phoenix Police Department to protect one of the most vulnerable populations in our community, our children," said Interim Police Chief Michael Sullivan.

We take this matter very seriously and we are conducting an internal investigation.

Last week, upon learning of the FBI investigation, the Department immediately placed Bartley on administrative leave and started the disciplinary process, up to and including termination, against the employee.

Bartley joined the Department in 2007.

We are committed to the safety and well-being of our community and we will not tolerate any actions that undermine that commitment.
