

## PHOENIX BICYCLE MASTER PLAN

### Do you bike in Phoenix?

The City of Phoenix Street Transportation Department is asking for input from Valley residents and the bicycling community to develop a citywide 20-year Bicycle Master Plan.

Please join us at one or more of the bike meetings to:

-  *Help us develop the Phoenix Bicycle Master Plan*
-  *Discuss opportunities to improve bicycling in Phoenix*
-  *Point out biking areas that may benefit from street or other improvements*
-  *Brainstorm ways to encourage more people to bike in their community*
-  *Learn about where and how to ride*

**“Public input in the bicycle master plan will shape our city’s transportation landscape for decades to come.” Mayor Greg Stanton**
