RE: ENCLOSED MORATORIUM LETTERS FOR 2020/21

The 2020/21 Holiday Season letter is enclosed for your information and distribution. This letter is also being sent to utility and construction companies, City of Phoenix departments, and others whose work schedules may be affected by these changes.

These restrictions are implemented to benefit residents and visitors by reducing traffic congestion and improving safety during designated days. Your compliance with these temporary restrictions is greatly appreciated.

I would like to thank you for your continued cooperation and help in improving the functionality and safety of our streets and sidewalks for the residents of Phoenix.

Sincerely,
