

TAKE THE **BIKE SAFE PHOENIX** PLEDGE

I pledge my commitment **to make the City's streets safer for bicyclists and all roadway users** by being **courteous** and **cautious**. I furthermore pledge to:

- **Obey** traffic laws and respect the rights of others
- **Yield** to pedestrians
- **Stop** at all stop signs and traffic signals
- **Travel** at a safe and legal speed
- **Be alert** when making turns and crossing streets
- **Maintain** a safe distance from other roadway users

As a **bicyclist**, I also pledge to ride in the same direction as traffic, wear a helmet, use lights at night and be predictable and visible; especially while crossing streets, driveways and intersections.

As a **motorist**, I also pledge to be especially alert for bicyclists and pedestrians, use turn signals, share the road responsibly and be extra cautious when passing bicyclists and while approaching driveways and sidewalks.

With this pledge, **I give my support to a better future for bicycling; one that is safe and fun for everyone.**
