

35th Avenue and Cactus Road

UPDATE

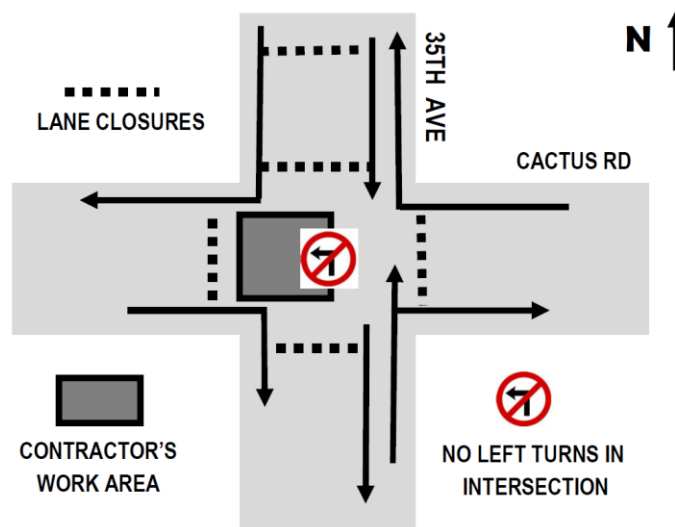

EMERGENCY STORM DRAIN PIPE REPAIR

During the recent rain event, a storm drain pipe located in the intersection of 35th Avenue and Cactus Road was compromised, and subsequently a sink hole occurred in the intersection. The City of Phoenix and their contractor have been addressing the situation and will be making repairs to the storm drain pipe and installing a new manhole access to the system.

WHAT TO EXPECT:

For the safety of the traveling public, there are **heavy restrictions** in the **intersection of 35th Avenue & Cactus Road**.

- **Work hours** - 24 hours per day, 7 days a week for approximately two weeks.
- Initial **traffic set up** is noted below, and remains subject to change as work requires.
- **Alternate routes** are highly encouraged.

NOTE: CACTUS ROAD EAST & WEST BOUND DETOURS AT 35TH AVENUE

We want you and the work crews to be safe.

Please use caution when traveling through the construction area.

Thank you for your understanding & cooperation.

If you have questions or concerns, please contact the **Project Hotline at 480-281-1506**
