

Volunteer Phoenix Newsletter

May 2019

Hello Volunteer Community! This month we would like to highlight the Pueblo Grande Museum which offers a variety of volunteer opportunities. We'd also like to thank all of the community members and vendors that came out in support of the Keep Phoenix Beautiful 10th annual Earth Day Celebration. We are also looking for Teen Navigators, which is a new volunteer opportunity with the Aviation Department. As always thank you for volunteering and creating a positive impact in your communities.

City of Phoenix and Keep Phoenix Beautiful Celebrate Earth Day

Volunteers are truly the heart and soul of Keep Phoenix Beautiful and our Earth Day Phoenix volunteer contingent was no exception!

Volunteers representing all kinds of different groups including: Hertz, Starbucks, Wells Fargo, Arizona State University, Summit High School, University of Phoenix, along with a whole lot of

community members. All these very kind-hearted, generous volunteers showed up, did the work and had some fun along the way!!

Huge heartfelt thanks to our volunteer superstars. They proved that old adage to be very true; that you can make a difference!

Mayor Kate Gallego led a tree planting in Cesar Chavez plaza on Washington Street across from City Hall to celebrate the day.

City of Phoenix Parks and Recreation Department: Pueblo Grande Opportunities

Pueblo Grande Museum is located on a 1,500-year-old archaeological site inhabited by the Ancestral Sonoran Desert Peoples (Hohokam). The museum has three exhibit galleries and a trail that takes you through a partially excavated platform mound, ballcourt, and replicated prehistoric houses. Volunteers help our guests explore history by leading tours, presenting outreaches, preserving the site with hands-on activities, and inspiring generations about Arizona's diverse cultures and resources. Join the fun and volunteer at Pueblo Grande, 602-495-0901 or email Angela Matta at angela.matta@phoenix.gov.

City of Phoenix Aviation Department: Seeking Teen Volunteers

The City of Phoenix Aviation Department has a new volunteer program and is looking to recruit teen volunteers. Earn service hours by helping customers at America's Friendliest Airport! Volunteer alongside experienced Navigators at Phoenix Sky

Harbor International Airport. Help some of the 120,000 daily visitors by assisting at the interactive directories, providing directions, or just offering a friendly smile. For more information contact Rachel Brannan at Rachel.Brannan@phoenix.gov.

View the Teen Navigator flyer [here](#).

City of Phoenix and Maricopa County Community Colleges: Service Learning

Students from Biology classes at Gateway Community College participated in planting 4 tall pots and completed water testing at Rio Salado Habitat Restoration Park. Collaboration with City Parks staff, service learning coordinators, Volunteer Phoenix and University of Arizona Project WET made this opportunity possible. Over 50 students have participated in Service Learning opportunities with the City of Phoenix. For more information on service learning contact volunteer@phoenix.gov.
