

## Permitting Timeframe Extension Mutual Agreement Application

State Law A.R.S. § 9-835(H) allows an applicant to the City to mutually agree to extend the Substantive Review Time Frame and the Overall Time Frame of a licensing or permitting process by up to 25 % of the Overall Time Frame. This document is a voluntary agreement designed to allow flexibility in the licensing process and to avoid unnecessary delays, cost, and/or denial of application due to unforeseen or unavoidable circumstances.
