

The City of Phoenix has contracted with Kiewit Corporation and Garney Construction to install the Drought Pipeline between 20th Street and Orangewood Avenue and 32nd Street and Shea Boulevard.

Current Construction Activities:

- Connection of the 66" diameter pipeline at 20th Street and Orangewood Avenue is scheduled for October 19, 2022. Work is will take approximately 10 days.
- 20th Street and Orangewood Avenue will be closed to through traffic.
- Water service interruptions are not expected.

Drought Pipeline Project:

Phoenix Water is building new pipelines and pump stations to ensure all customers will have access to safe, clean and reliable drinking water for generations to come. These improvements will help to move water supplies during water shortages along the Colorado River.

- Working hours will primarily be May 1 – September 30: 6:00 am to 4:00 pm, Monday through Saturday and October 1 – April 30: 7:00 am to 7:00 pm, Monday through Saturday. Some construction may require night or Sunday work.
- Business, residential and pedestrian access will be maintained.
- No on-street parking will be allowed in the construction area.

Construction schedules are subject to change for a variety of reasons, including weather and personnel/material availability. The City of Phoenix and its contractors recognize the inconvenience of construction and we thank you for your patience and support!
