2025 Climate Action Plan Update

# COMMUNITY WORKSHOPS

Virtual & In-Person Options Available!

The **City of Phoenix** is updating its **Climate Action Plan**, and we need your input! Join us at our upcoming community workshops to **share your thoughts, concerns, and ideas** about topics that matter most to you:

- » Heat Resilience
- » Stationary Energy
- » Water Supply Resilience
- » Local Food Systems
- » Transportation Systems
- » Waste as a Resource
- » Air Quality

These workshops are your chance to **make a difference** in our city's journey toward a thriving and resilient future.
