CITY CLERK DEPT
ELECTIONS DIVISION

18 JUL 26 PM 2: 29

Statement of Intent

My life is built around my family - immigrants who worked hard. I was a hotel housekeeper. My work in Phoenix today serves families. Paychecks families deserve. Health care families can afford. Homes families can own. Schools that teach our children success. Our families should live in neighborhoods filled with the sounds of joy...not the sirens of danger. I want to represent families on the Phoenix City Council.
