SECTION 1 PLAN INTRODUCTION

Public health and safety are our top priority. To adhere to social distancing and other safety protocols and procedures, a limited number of fans will be allowed in our ballparks for Spring Training 2021.

PLAN INTRODUCTION

The future of occupying our facilities will be different and require all stadium entities to be flexible, adaptive, and resilient to new circumstances.

The Arizona Department of Health Services and the County Public Health Department, the Cactus League Association and our spring training Cities have worked together with industry leaders to develop a proactive and consistent base plan across the league that will encourage consumer confidence and a safe and successful experience for all involved. The collaborative approach with our spring training cities will provide the overall authorization necessary to support our facility operators and fans with their specific protocols for their unique operations and arrangements across the league.

SECTION 2

GUIDING PRINCIPLES

GUIDING PRINCIPLES SAFETY PROTOCOLS & PROCEDURES

The following safety protocols and procedures will be in effect:

SOCIAL DISTANCING

Strict adherence to the CDC-recommended 6' social distancing will be mandated on site.

FACE COVERINGS

All guests, ages 3 and up, will be required to wear mandatory face coverings.

HYGIENE PROTOCOLS

Handwashing and hand sanitizing stations will be placed throughout the ballpark.

ENTRY GATES

Each guest will be screened prior to entering the event gates; initial screening will include questions regarding your current health.

QUEUING

Entry and exits to the seating, along with routes to concession stands and restrooms via the concourse will adhere to social distancing guidelines.

CLEANING & DISINFECTING

Clearly identified cleaning staff will be cleaning or disinfecting at all times.

POINTS OF SALE

Limited concessions and merchandise will be available for purchase via cashless transactions.

ACCOUNTABILITY

Attendees must comply with instructions of ballpark personnel and health authorities, including any instructions to leave the ballpark or temporarily quarantine or isolate somewhere in the ballpark.

SECTION 3
FAN SAFETY PROTOCOLS

CONSULTANTS/EXPERTS

- Government Health Officials
- Local Hospitals

FAN SAFETY PROTOCOLS ADMITTANCE

Below are examples of screening language for stadium review, signage is an effective option.

1

SCREENING

If you answer “yes” to any of the below questions, you will be denied entry into the ballpark.

- Have you experienced any of the following symptoms in the past 48 hours: fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, diarrhea?
- Within the past 14 days, have you been in close physical contact (6 feet or closer for at least 15 minutes) with a person who is known to have laboratory-confirmed COVID-19 or with anyone who has any symptoms consistent with COVID-19?
- Are you isolating or quarantining because you may have been exposed to a person with COVID-19 or are worried that you may be sick with COVID-19?
- Are you currently waiting on the results of a COVID-19 test?

2

SYMPTOMS

Attendees who display any of these symptoms may be denied entry to the ballpark or, if the already inside the ballpark, may be required to leave.

- Shortness of Breath or Difficulty Breathing
- Cough (new onset or worsening)
- Fever (felt feverish or warm)
- Headache
- Chills
- Sore or Scratchy Throat
- New Loss of Taste or Smell
- Muscle Pain
- Nasal Congestion
- Runny Nose
- Nausea or Vomiting
- Diarrhea
- Gastrointestinal distress or upset stomach
- Fatigue or Weakness
- Swelling of the toes or lower extremities
- Chest tightness or pain
- Swollen lymph nodes or glands
- Abdominal pain
- Rash or "COVID toes"

3

COVID-19 EXPOSURE

Fans are not permitted to enter the ballpark if:

- You or a member of your pod has been exposed to COVID-19 or is feeling ill
- Tested positive in the last 14 days
- Have been identified as a potential carrier of COVID-19
- Experienced any symptoms (see list of symptoms)

FAN SAFETY PROTOCOLS INFECTIOUS DISEASE EMERGENCY RESPONSE PLAN

WORKING STAFF

TICKETHOLDER

INFECTIOUS DISEASE EMERGENCY RESPONSE PLAN

FALLING ILL IN STADIUM There will be a dedicated isolation area to provide treatment and transport of any fan(s) developing symptoms during the event. All fans in the associated pod will be instructed to leave. Disinfecting/decontamination capability will be available for immediate on-site response. Local public health officials will be notified of the potential exposure.

SECTION 6
SERVICE & OPERATIONS

SERVICE & OPERATIONS PERMITTED/PROHIBITED ITEMS

Below are examples for stadium review

PERMITTED

- 1 Clear Bag per person (Specify maximum size)
- 1 Clutch bag/fanny pack per person (Specify maximum size)
- Sunscreen
- 1 factory-sealed non-flavored water (plastic bottle only) that is 1 liter or less in size

PROHIBITED

- Open containers
- Umbrella
- Selfie stick
- Drones

PERMITTED/PROHIBITED ITEMS

(World Series 2020)

- To reduce touch points between employees and guests, no bags will be permitted except for those that are carried for medical reasons or manufactured diaper bags that accompany infants and young children.
- No outside food is permitted inside the ballpark. Each guest may bring sealed non-flavored water (plastic bottle only) that is one (1) liter or less in size. No bag storage is available at the ballpark.

DRAFT

SERVICE & OPERATIONS AREAS OF FOCUS

PARKING

- Advance Purchase (List Locations)
- Free (List Locations)

SECURITY

- Signage and decals in all traffic pattern areas
- Education announcement and videos
- Warning paddles/signs for ushers/security personnel (allow up to three warnings)
- Refer additional enforcement to stadium security

FACE COVERINGS

- All guests, ages 3 and up, must always wear a face covering over their nose and mouth on ballpark property other than when actively eating or drinking at their ticketed seats.
- The requirement of a face covering does not apply to any person with a medical condition or disability that prevents wearing a face covering. Attendees who do not comply may be required to leave the ballpark.

SOCIAL DISTANCING

- Capacity at the ballpark will be limited to maintain social distancing. All seating pods will be seated at least six (6) feet from any other seating pod. Attendees must adhere to the specific circulation plan to maximize six (6) feet social distancing and limit contact while on ballpark property.

TICKETS

- See individual ballpark box office policy and procedure
- Lawn Strategy: Mark and label lawn pods a minimum of 6' apart and assign group tickets to each labeled pod.
- Hospitality and Group Areas: Capacity to accommodate social distancing
- Trace to a person: Assign each ticket/group to a person for contact tracing

SEATING POD INTEGRITY

- To ensure appropriate social distancing is maintained, attendees must not sell, transfer or otherwise provide any of their event tickets to anyone other than family (or other trusted acquaintances) with whom they have been sheltering, unless they are selling transferring or otherwise providing all such tickets (i.e., the complete pod of tickets purchased) to a single party.

Hand sanitizing stations throughout the ballpark & eliminate touch points where possible (CC only).
