CITY EVENTS

UPCOMING PUBLIC CITY MEETINGS

- City Council Policy Session – 1:00 p.m. Monday, April 06, please click here to watch meeting <https://www.youtube.com/user/cityofphoenixaz>.
- City Council Policy Session – 1:00 p.m. Thursday, April 9, please click here to watch meeting <https://www.youtube.com/user/cityofphoenixaz>.

For more information on these and all other public City meetings visit:
<https://www.phoenix.gov/cityclerk/publicmeetings/notices>.

City Council meetings are live on Cox Cable Channel 11 and streamed live on www.phoenix.gov and facebook.com/cityofphoenix. Past City Council meetings are posted to YouTube at <http://www.youtube.com/cityofphoenixaz>.

DISTRICT 1 EVENTS:

DISTRICT 1 COMMUNITY MEETINGS

The City of Phoenix is taking additional steps to protect its residents and help to combat the spread of coronavirus in the community. As a result, many gatherings and events have been canceled or postponed.

- Family Fishing Day with Phoenix Police, Saturday, April 4—Canceled
- District 1 Community Breakfast, Friday, April 24 —Canceled
- Bike Safety Rodeo, Saturday, April 25—Canceled

From Phoenix Police Department:

So many of you have asked about the memorial services for Commander Greg Carnicle. Given the health crisis, immediate tributes will only include immediate family. They will celebrate his life on Tuesday during a funeral mass at St. Jerome's Catholic Church. The department's Facebook page will bring that service to extended family members and the community live at 10 a.m. Tuesday morning.

We will also be including through a Facebook Live an opportunity for the entire community to join us in a brief moment of silence to recognize Commander Carnicle on Tuesday at noon, following the memorial service. Please help spread the word in any way you can.

Facebook Invitation: <https://www.facebook.com/events/586768635381994/>

The live stream can be viewed with or without a Facebook account: www.Facebook.com/PhoenixPolice

A larger community memorial service to pay proper tribute to Commander Carnicle and his 31 years of service to Phoenix will happen once restrictions on large gatherings are lifted.

In the meantime, we invite you to look back at his life, his family and his career with the following short videos:

<https://www.phoenix.gov/newsroom/police/1105>

<https://www.phoenix.gov/newsroom/police/1103>

CITY NEWS & EVENTS:

For the most updated news and information related to COVID-19 or Coronavirus, please frequently check [phoenix.gov/newsroom](https://www.phoenix.gov/newsroom).

CORONAVIRUS BUSINESS & RESIDENT RESOURCES

We're in this together! Looking for help? Check out these additional resources for Phoenix businesses, the workforce, and residents relating to the Coronavirus COVID-19 health emergency. We will continue to update this page with new information when confirmed. Please call **BEFORE** visiting any listed location to verify current hours of operation.

Residents with questions about city services and programs are encouraged to call **(602) 262-3111** or e-mail contactus@phoenix.gov.

Please visit <https://www.phoenix.gov/Resources> for the latest updates to accessing resources:

- For job seekers & laid off workers
- For businesses
- For non-profits/arts organizations
- Covid-19 testing
- Family or individual meals
- Emergency rent, utility or eviction
- Affordable housing
- Nutrition assistance
- Senior meals
- Healthcare
- Other help

CITY OF PHOENIX IMPACTED SERVICES UPDATE

APRIL 1 WAS CENSUS DAY! HAVE YOU BEEN COUNTED?

With all the other news happening, another important date on your calendar was April 1, Census Day in the United States, and participating is one of the easiest ways you can support the city of Phoenix, just by filling out the online Census form.

You should have already received a code in the mail that you can use to complete the Census form for your household online at <https://my2020census.gov/>. You'll be asked basic demographic questions about your household, including how many people are living in the home; if your home is owned or rented, and about the age, sex, race, and relationships of the people who are in the household.

“Participation in the Census is critical for Phoenix, because it impacts our funding across so many areas for years to come,” said Albert Santana, the city’s Census Director. “The form only takes ten minutes to complete, so it is one of the simplest ways to ensure that we have the resources we need to operate.”

In Phoenix, an accurate 2020 Census count represents \$533 per person, or approximately \$866 million a year. This funding helps to provide vital resources, programs and services such as housing, transportation, education, public safety, and so much more.

The city of Phoenix has been working in partnership with the Maricopa Association of Governments to encourage participation in the 2020 Census through a local campaign, called iCount2020. The campaign highlights the ways that an accurate count in the census supports local governments, and provides information on how to respond to the census online, by phone or by mail; what residents should look for when receiving communication from the federal government about the Census; and a variety of Frequently-Asked-Questions. More information is available at <https://icount2020.info/>.

You can also help the city of Phoenix by encouraging your friends and family to participate. Share these Census posts on [Facebook](#), and [Twitter](#)!

PHOENIX CLOSES PLAYGROUNDS AND OTHER PARK AMENITIES

To manage the spread of the coronavirus, effective Tuesday, March 31 at 5 p.m., the Phoenix Parks and Recreation Department will temporarily close all playgrounds, fitness equipment, basketball and volleyball courts, and sports complexes located within its public parks. This decision is being made under authority in Phoenix City Code and in support of a statement issued Friday, March 27 by the National Recreation and Park Association (NRPA), in which it said the following:

“NRPA understands the important value playgrounds and play structures provide to communities across the country, especially for children. But, given the current situation and the guidance from public health officials on physical distancing, limiting in-person social interactions, avoiding spaces where people congregate in close quarters, and the concerns around transmission of the virus being spread through surfaces, we believe that playgrounds and play structures should temporarily close in an effort to reduce community spread.”

All city parks will remain open normal posted hours for residents to enjoy green space, walking paths, dog parks, skate parks, and tennis and pickleball courts, while practicing the recommended safe social or physical distancing of six feet and not congregating in groups of more than 10 people. Additionally, the city's more than 200 miles of trails, located within 41,000-plus acres of preserve land and natural desert park areas, remain open normal hours. Access is being limited at several of the city's high-traffic trailheads. Restrooms will also remain open during park and preserve hours of operation.

In a response to coronavirus concerns, all park benches, picnic tables, drinking fountains, railings and restrooms are being cleaned daily. The restroom cleaning process includes all fixtures, hand dryers and baby changing tables. Park guests and those using hiking trails are encouraged to bring their own hand sanitizer and disinfectant wipes.

Detailed information about the city's parks and their amenities is available by visiting <https://www.phoenix.gov/parks>. Being outdoors is important for health and wellness, and the Phoenix Parks and Recreation Department encourages residents to get outside, get exercise and practice responsible social distancing. The department will continue to work with the community to manage this public health emergency.

For additional information about local response to the coronavirus, visit the **Maricopa County Department of Public Health** and the **Arizona Department of Health Services** websites.

NORTHWEST PHASE II LIGHT RAIL EXTENSION

NORTHWEST PHASE II
TITLE

LIGHT RAIL EXTENSION
TYPE

FACT SHEET / Q2 2020
valleymetro.org/northwest2

About the Project

Phase II of the Northwest Extension will extend light rail west on Dunlap Avenue from 19th Avenue, then north on 25th Avenue and across I-17 on Mountain View Road with a terminus on the west side of the freeway near Metrocenter Mall.

At the end-of-line, the Metrocenter Station will be the first elevated station in Valley Metro's light rail system. The existing Transit Center will relocate to below the elevated station. Adjacent to the transit center will be a four-story park-and-ride garage that will be accessible to the station.

Metrocenter Station Rendering

Voter approved:

PROJECT STATUS

- The Federal Transit Administration authorized the project to move into the Entry into Engineering phase, an important step towards securing federal grant funding.
- Coordination and collaboration with local area community groups, business owners and residents continues throughout the project corridor.
- By April 2020, project design will be complete.
- Underground utilities location and evaluation, along with infrastructure inspections is anticipated to be complete in April 2020.

NEXT STEPS

- Surveyors will start collecting property data in the corridor.
- A public meeting in summer 2020 will inform the public about the final project design, including public art concepts, and will include an overview of project construction activities.
- Project construction is anticipated to begin in August 2020.
- A workforce development program focused on education and career development related to the project will be launched in mid 2020.

HONEYWELL HIRING 500 IN PHOENIX TO MAKE MILLIONS OF N-95 MASKS EACH MONTH

Honeywell is adding 500 new jobs in Phoenix for the manufacturing of N-95 face masks and personal protection equipment. The company is already in the process of recruiting and hiring for these Phoenix jobs.

The opening of the facility in Phoenix will increase Honeywell's mask production capacity to more than 20 million monthly. The equipment is arriving in Phoenix this week. A similar expansion is underway in Rhode Island.

Production will take place at Honeywell's Phoenix Engines campus, the company's largest such facility, on the north side of Phoenix Sky Harbor International Airport.

The N95 face masks will be delivered to the U.S. Department of Health and Human Services to contribute to the American stockpile for use to support health, safety and emergency response workers. The Phoenix facility will prioritize fulfilling the U.S. government's procurement and will have the capacity to produce face masks for U.S. states and American healthcare and emergency response organizations.

Honeywell's production expansion will also support American businesses, including industrial equipment providers and raw materials suppliers. The company is collaborating with state and local officials to ramp up production efforts and support hiring and training.

Honeywell is an industry-leading provider of intelligent safety solutions and personal protective equipment that helps organizations keep their workers safe and healthy on the job. The company's offerings include hazardous gas detectors, safety software solutions and personal protective equipment such as face masks, goggles, respirators, protective footwear, and industrial face shields.

Hiring website: <https://careers.honeywell.com/n95>

ADDITIONAL PARK AMENITY CLOSURES AND EASTER WEEKEND RESTRICTIONS

As it continues to manage the spread of the coronavirus, the Phoenix Parks and Recreation Department announced Thursday additional temporary closures of amenities within its public parks, an operational change at its golf courses and a policy for the upcoming Easter holiday weekend. These decisions were made after a vote of the Phoenix City Council.

Effective immediately, and until further notice, all ramadas and picnic tables are temporarily closed. This includes ramadas and picnic tables located in flatland parks, as well as those in the city's desert parks and mountain preserves. Additionally, the department will implement a change with golf cart rentals at the city's eight golf courses, by limiting cart use to one person at a time unless it is two family members.

These temporary closures and the change in golf course operation add to the **park amenities closures that went into effect on March 31 at 5 p.m.**, which include closure of all playgrounds, fitness equipment, basketball and volleyball courts, and sports complexes located within city parks. The **parking lot and trails limited access policy that went into effect on March 28** at Papago Park's Hole in the Rock, Camelback Mountain's Echo Canyon Trailhead, Piestewa Peak Trailhead, and South Mountain Park's Pima Canyon Trailhead and Dobbins Lookout is still in place.

For the Easter holiday weekend, which is Saturday, April 11 and Sunday, April 12, the following policy will be in effect:

- Flatland parks will be open for residents to access walking paths and green space only
- No picnicking will be allowed
- Restrooms will remain open
- Parking lots for flatland parks will be closed, but those with a disabled parking placard will be allowed access

Detailed information about the city's parks and their amenities is available by visiting <https://www.phoenix.gov/parks> Being outdoors is important for health and wellness, and the Phoenix Parks and Recreation Department encourages residents to get outside, get exercise and practice responsible physical distancing. The department will continue to work with the community to manage this public health emergency, and asks that residents follow these guidelines:

- Refrain from using parks or trails if they are exhibiting symptoms
- Follow CDC guidance on personal hygiene prior to and during use of parks or trails
- Prepare for limited access to public restrooms or water fountains
- While on trails, warn other users of their presence as they pass, and step aside to let others pass
- Follow CDC guidance on the recommended size of social gatherings including outdoor picnicking, pick-up sports and other group hangouts, and maintain proper physical distance at all times
- Observe CDC minimum recommended social or physical distancing of six feet from other individuals at all times. If this is not possible, users should find an alternate location or depart that space.
- Consult their local and state ordinances and guidelines for the most up-to-date recommendations on park and trail use

For additional information about local response to the coronavirus, visit the [Maricopa County Department of Public Health](#) and the [Arizona Department of Health Services](#) websites.

TAKE A HIKE DO IT RIGHT!

Please take steps to protect yourself and others:

- Do not use this trail or facility if you are sick
- Avoid close contact and congregating in groups
- Keep moving along the trail
- Wash your hands often with soap and water
- Do not touch your eyes, nose and mouth with unwashed hands
- Cover your mouth and nose when you sneeze or cough
- Bring with and use your own hand sanitizer and wipes

Phoenix is home to more than 41,000 acres of desert parks and mountain preserves, and more than 200 miles of trails. Please visit <https://www.phoenix.gov/parks/trails> for locations and details.

DON'T GIVE TO INDIVIDUALS, GIVE TO SHELTERS

To end panhandling, we must stop giving directly to individuals that panhandle.

Phoenix is full of compassionate and charitable citizens. They want to help those in need. However, giving money to people panhandling doesn't fix problems. To truly help those in need, stop giving money to panhandlers and instead support organizations and services that provide long-lasting care.

- Central Arizona Shelter Services
- Andre House
- Salvation Army
- St. Joseph the Worker
- UMOM New Day Centers
- The Phoenix Rescue Mission
- St. Mary's Food Bank

For more organizations and information on housing or other services, please visit the Homeless Shelter Directory webpage at: [Homeless Shelter Directory](https://www.homelesshelterdirectory.org/cgi-bin/id/city.cgi?city=Phoenix&state=AZ).

COUNCIL DISTRICT 1 INITIATIVES

Crews maintained the landscaped areas within the street right-of-way listed below. This work typically includes weed and trash removal and landscape pruning. This helps provide a safe environment for the public and enhances the image of the city's streets. For more information about the street right-of-way landscape maintenance program, visit <https://www.phoenix.gov/streets/ROWlandscape>.

1. 38th Dr. and Bell Rd.

Roadway Repair Work

Street maintenance crews completed significant roadway repairs at the following locations in D1:

2. 43rd Ave. to 47th Ave. between Union Hills Dr. and Grovers Ave.
3. Deer Valley Rd. between 7th Ave. and 19th Ave.
4. 19th Ave. between Pinnacle Peak Rd. and Happy Valley Rd.
5. 31st Ave. and Banff Ln.

Alley Maintenance

Street maintenance crews graded the dirt surface at the following alley in D1:

6. 3920 W. Teresa Ln.

Citywide Updates

Grand Canalscape Award

The Grand Canalscape project recently won the Build Arizona award from the Association of General Contractors' Arizona chapter. Build Arizona awards recognize excellence in project management, contribution to the community, sensitivity to the environment, innovation in construction techniques, and a commitment to safety. The public event to celebrate the completion of the Grand Canalscape project was held on Saturday, February 15.

On February 15, several hundred city residents came out to celebrate the completion of the Grand Canalscape project.

PHOENIX INTERACTIVE STREET CLOSURE & RESTRICTIONS MAP – UPDATED APRIL 03.

To view a listing of current or planned street restrictions
please visit this link:

<https://www.phoenix.gov/streets/street-closures>.

The dashboard is a multi-agency effort to keep residents informed of street closures and restrictions due to planned construction activities or utility work, as well as unexpected events such as flooding, traffic collisions, fires, utility failures or other emergencies. For street closure alerts, follow the Phoenix Street Transportation Department on Twitter at [@StreetsPHX](https://twitter.com/StreetsPHX).

DEER VALLEY UNIFIED SCHOOL DISTRICT NEWS

MEAL DISTRIBUTION CHANGE!

Starting Monday, April 6, 2020

Meal Pick-up Now **MONDAY** and **THURSDAY** only!

MONDAY – Pick up breakfast and lunch for 3 days

THURSDAY – Pick up breakfast and lunch for 2 days

Due to the school shutdown for Coronavirus (COVID-19), Deer Valley Unified School District will provide meals to ALL children 18 and under at various locations in our district even though schools are closed. Please stay in your car and meals will be passed through to the driver. Child(ren) do not need to be present when picking up the meals. If a parent wishes to pick up food without their child present, then the parent(s) will need to provide a photo ID and each child's date of birth. **The district may change and/or add locations or hours depending on demand.**

Please check www.dvUSD.org/food regularly for updated info.
