

5 KEY EMERGENCY *Preparedness* QUESTIONS

Below are 5 key questions for parents or caregivers to ask about your child's school emergency plan .

1

What does the school expect from me as a parent or caregiver should an emergency occur?

2

How should I communicate with the school during or after an emergency?

3

Where can I find the school's recommendations for emergency preparedness and current information during an emergency?

4

Does the school conduct safety training and drills with the students? If so, how often?

5

What plans are in place to protect my child or children, and has the school staff been trained to help the students during an emergency?
