EMERGENCY POINT OF CONTACT

Name: _____

Cell #: _____

Backup #: _____

If possible, it is best to text during and monitor social media during an emergency unless you are in immediate danger. Texts frequently make it through easier during emergencies and emergency responders will need phone lines and bandwidth to communicate.

WHERE TO MEET!

Agree upon meeting location so family members know where to meet in and out of your neighborhood.

In our neighborhood (a park or neighbor's house)

Outside of our neighborhood (library, community center or place of worship)
