### Qualities of Success

### DO YOU HAVE WHAT IT TAKES?

Every year over 5,000 men and women apply to become Phoenix Fire Fighters. Less than 50 will be hired. What qualities are required to be a successful fire fighter?

A Phoenix Fire Fighter needs to be able function physically, mentally and emotionally on the fireground, the emergency medical scene, in the community, and at the fire station. The demands of the job are extremely varied. They must be able to go from a catastrophic drowning call, to a faulty smoke detector, to teaching fire safety at a school, without missing a beat. A Phoenix Fire Fighter needs to be well rounded eager to learn, and have a strong desire to help others.

The Phoenix Fire Department is extremely committed to our community and believes we must stay connected to our customer's needs. This requires a strong customer service attitude as well as a desire to give something back to those we proudly serve.
