

TRAFFIC SAFETY RESOURCE PROSECUTOR (TSRP) PRESENTATIONS

DUI and Traffic Training for Prosecutors and Law Enforcement

The TSRP will provide free training on any DUI or traffic related topic. If training is desired on a topic that is not listed, a presentation can be developed. As long as five (5) attorneys attend, the training should qualify for CLE credit.

1. Breath Test Admissibility
2. Common DUI Defense Ploys and How to Address Them at Trial
3. Right to Counsel for DUI Cases
4. *Corpus Delicti* for Traffic Cases
5. Search and Seizure for Traffic Cases
6. How to Conduct a DUI PowerPoint Trial
7. Recent DUI Case Law Review
8. Basic Motion Practice
9. Legal Review for DRE Cases
10. How to Admit Toxicology Results
11. Common Defense Challenges in DRE Cases
12. How to Admit Toxicology Results Without the Expert who Conducted the Analysis
13. How to Conduct a DUI Trial
14. Qualifying a DRE Officer as an Expert in Court
15. Trial Advocacy (opening statements, direct-examination, cross-examination, and closing arguments). Works best with small groups.
16. Standardized Field Sobriety Tests
17. The CSI Effect on Juries
18. Second Sample and Independent Chemical Test Issues for DUI Cases
19. Actual Physical Control
20. Defense Challenges to Breath Tests
21. How to Keep the Blood Flowing Smoothly (Issues for DUI Blood Trials)
22. HGN/SFST School (The Legal Environment and Courtroom Skills)
23. DRE and DRE In-Service Training
24. Phlebotomy Refresher Training
25. DRE School
26. Testifying in Court
27. DUI Mistrials – How to Avoid Them and What to do if the Defendant Asks for One
28. Ethical and Victim Considerations in DUI Prosecutions
29. Ethical Jeopardy (Ethics Game)

Community Presentations

1. The DUI Laws of the State of Arizona
2. The Legal Ramifications of a DUI
