

# G HOME™ PERFORMANCE REPORT

Plan 3  
1526 E Apollo Road

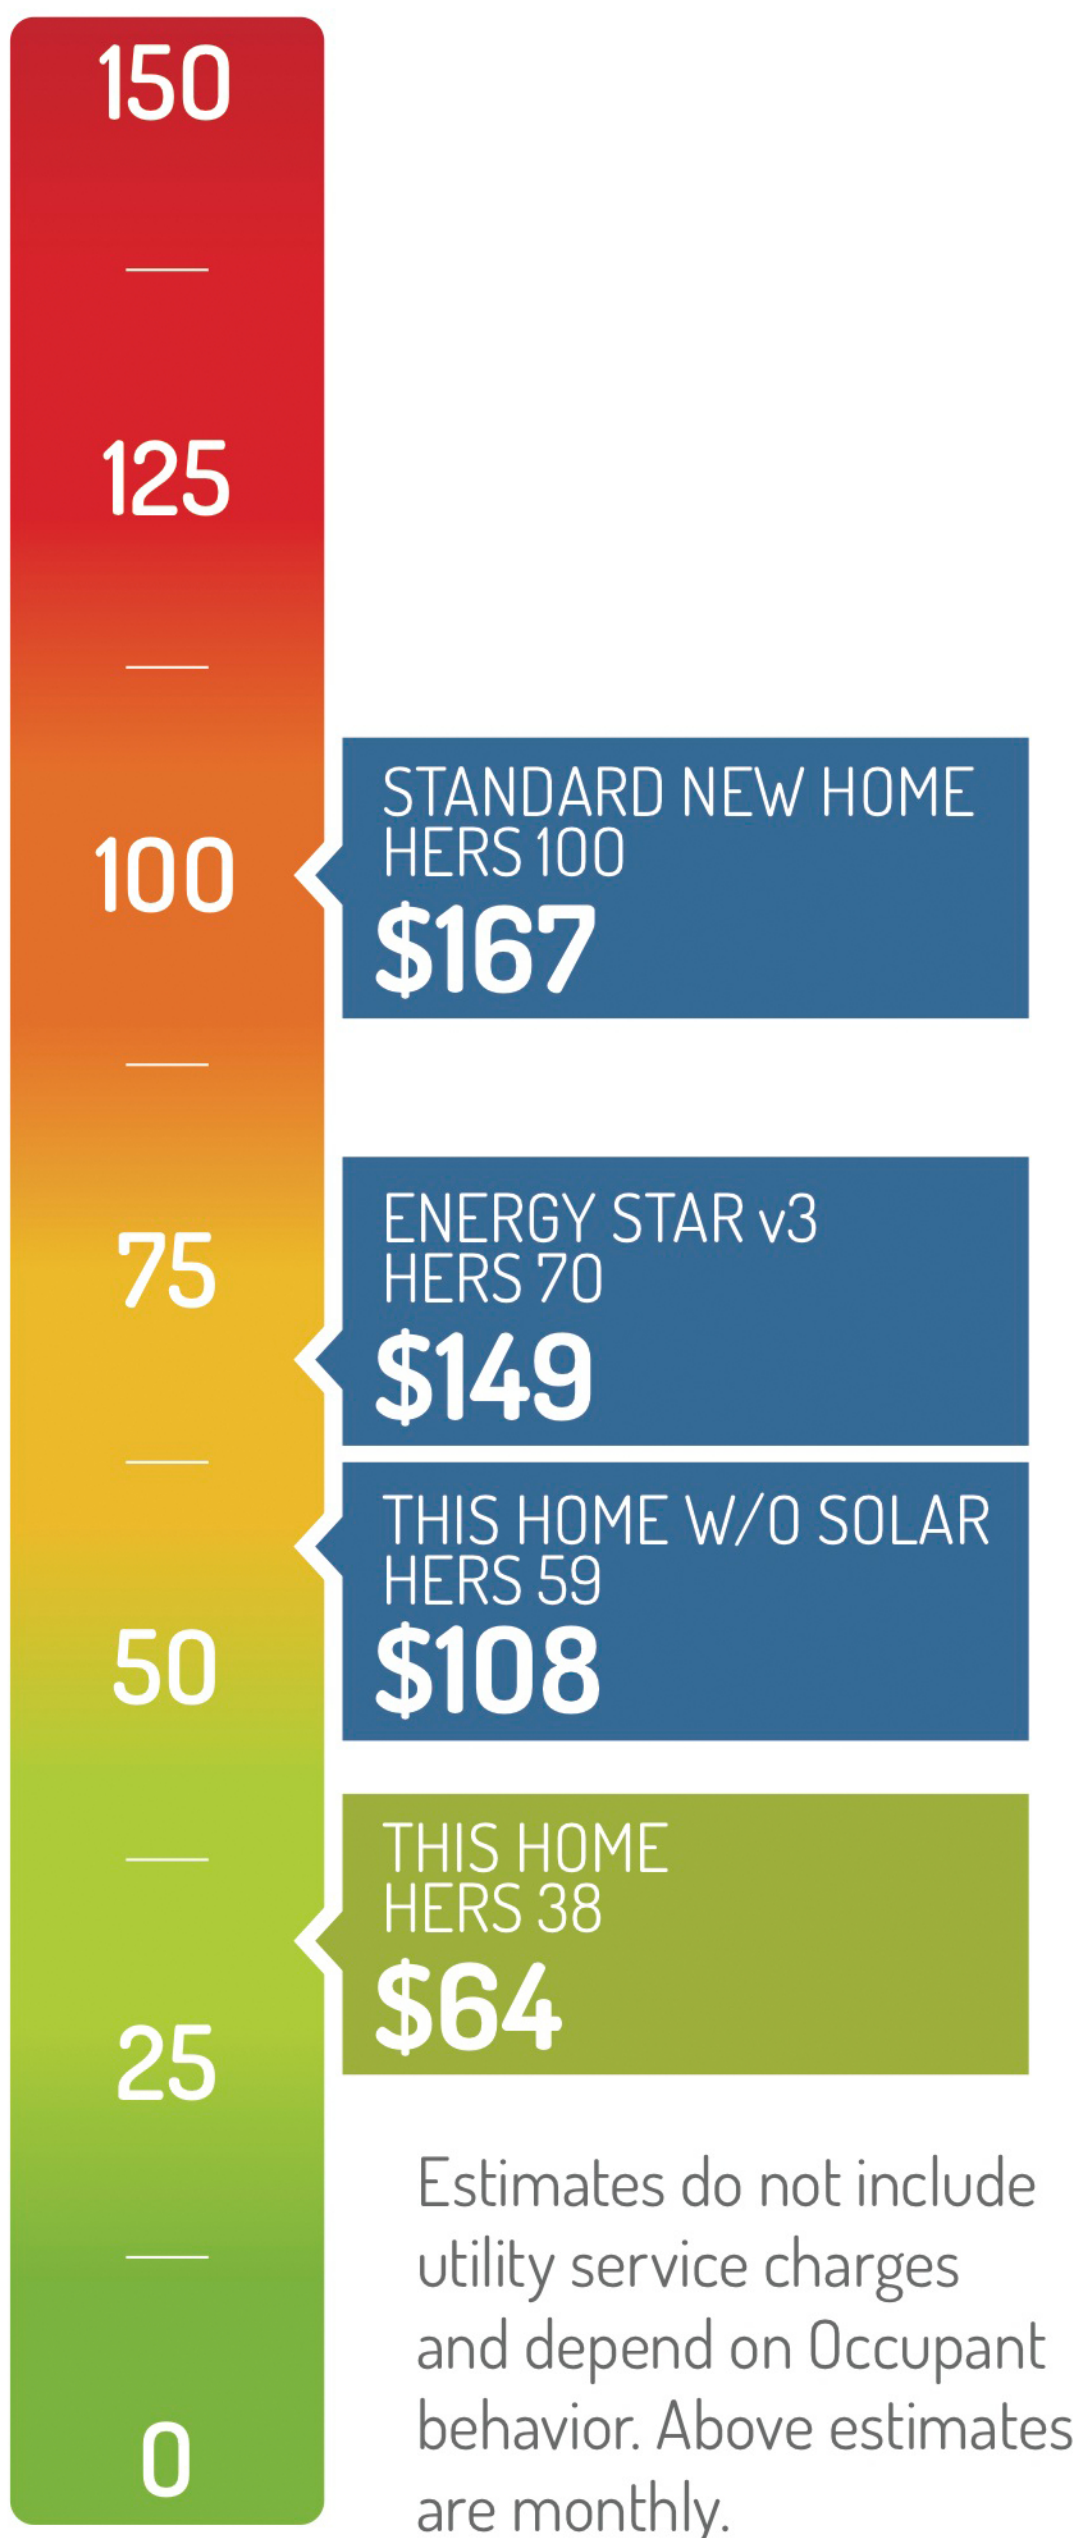

City of Phoenix

Neighborhood Stabilization Program

## ENERGY SCORE

## WATER

AVERAGE  
PHOENIX HOME

**125,000**  
GALLONS

THIS HOME

**50,000**  
GALLONS

Estimated Gallons Saved  
as a Result of Design

Estimates based  
on family of four

= 25,000 gallons

## LOCATION

100  
BEST

Somewhat Walkable

46

0  
WORST

Walk Score calculates the walkability of any address and helps find walkable places to live. A score of "Somewhat Walkable" means some amenities are within walking distance.
