Thelda Williams Appointed Mayor

On Monday, June 11, the Phoenix City Council voted to appoint District 1 Councilwoman Thelda Williams as the city's Mayor. She will also continue to be the Councilwoman for District 1. The vacancy occurred after Greg Stanton resigned to run for another elected office.

"I'm honored and humbled to serve as mayor to our great city," said Mayor Thelda Williams. "I look forward to working with my council colleagues over the next several months, and I encourage residents to get involved."

Mayor Williams will remain in the position until shortly after a Special Election is held on Tuesday, Nov. 6, 2018. If no candidate receives 50% of the vote, Mayor Williams will remain in office until shortly after a runoff election on March 12, 2019.

For details about the city's election process, visit Phoenix.gov/Elections.

Special Election for Phoenix Voters

On Aug. 28, Phoenix voters will decide on several propositions that will appear on the ballot for the State Primary Election. Details on the propositions can be found on Phoenix.gov/Elections. The voter registration deadline is July 30. Voters on the Permanent Early Voting List (PEVL) will automatically receive an early ballot by mail, if the voter selected a party preference. Voters not on the PEVL can request an early ballot by mail. Early ballots will be mailed on Aug. 1.

To receive an early ballot by mail for this election, "independent" or "no party preference" voters must request either a specific party ballot or the non-partisan/city-only ballot. Early ballot requests must be made no later than Aug. 17, by calling **602-506-1511** or visiting Maricopa.vote.

In-person early voting also will be available at Maricopa County Elections offices and on the 15th floor of Phoenix City Hall between Aug. 1 and Aug. 24 during regular business hours. Accessible voting devices allowing voters with disabilities to vote independently will be available at these sites. Visit Phoenix.gov/Elections, [@PHXElections](https://twitter.com/PHXElections) on Twitter, call **602-261-VOTE (8683)**, or use the 7-1-1 Relay System.

Volunteer to Teach Kids to Read

Did you know that, in 2017, only 30% of Arizona's fourth graders were reading proficiently? The city's Read On Phoenix program is again partnering with AARP Experience Corps to sign up adult volunteers 50 and older to help tutor children in reading fluency. The goal is to have kids reading at their appropriate grade level by third grade. If you'd like to help, email ECPhx@Phoenix.gov or call 602-256-4388.
