## **Multiple Count Sexual Assault Indictment** *Detectives Need Public's Help Identifying Additional Victim*

(April 27, 2023) In June 2022, Phoenix police began an investigation into an extremely violent sexual assault. Evidence at the time indicated it may be related to another case they were already working. Detectives were able to identify a suspect and arrest 25-year-old Tyler Munguia in connection with the two crimes. As the investigation progressed, detectives gathered evidence, including video evidence, that lead them to believe there were five additional victims.

Detectives worked tirelessly to identify and locate those they believed were victimize by Munguia. All but one of the victims were identified, located and agreed to aid in prosecution. Working closely with the Maricopa County Attorney's Office, all six cases were combined for prosecution, and in April 2023, a Grand Jury handed up an indictment against Munguia on 59 felony charges including sexual assault and kidnapping related to the six victims.

Phoenix police now need the public's help in identifying and locating the seventh victim in this series of crimes. Investigators are releasing photographs of two necklaces that were worn by the victim. We are concerned for her welfare and hope someone will recognize the necklace and help identify her.

Anyone with information about the identify of this woman, or anything possibly related to this case, can contact the Phoenix Police Department with information.
