**Incident:** 2022-1751570  
**Location:** 14<sup>th</sup> Street and Missouri Avenue  
**Victim:** Juvenile teenage male, critical injuries

## Serious Injury Collision

(November 23, 2022) Phoenix police detectives responded to 14<sup>th</sup> Street and Missouri Avenue to investigate a serious injury collision that left one juvenile in critical condition.

Last night just before 6:00 p.m. on November 22, 2022, Phoenix police responded to a call of a collision involving a bicyclist and two vehicles near 14<sup>th</sup> Street and Missouri Avenue. The bicyclist was identified as a juvenile male and transported to the hospital with serious injuries. Both vehicles remained on scene.

Detectives responded to take over the investigation. Preliminary information indicates the juvenile was attempting to cross Missouri on his bicycle and was struck by a vehicle driven by an adult female who was going east on Missouri. A second vehicle driven by an adult male going west saw the collision and applied his brakes to avoid the collision. The vehicle struck the juvenile on his hand.

Impairment does not appear to be a factor on either driver. The juvenile remains in critical condition.

Further details about the crash are still under investigation.
