Thank you again to both media and community for helping locate Baby Eunice safe and unharmed.

Missing 5-Month-Old Found Safe

Phoenix Police located baby Eunice Salinas earlier this evening safe and unharmed.

In the late evening of August 6, 2022 officers were called to the area of 4800 East Van Buren Street after the foster family of Eunice reported the biological mother, Angelica Salinas has taken her from the house.

When officers came into the area, they learned Angelica was visiting and had taken Eunice from the hands of the foster family and walked out of the house. Not having an established residence or resources to properly care for baby Eunice was the major concern for her safety. Baby Eunice was not believed to be in any physical danger while with Angelica.

On August 9, Angelica showed up at a family member's residence with Eunice and a phone call was placed to Phoenix Police. Officers arrived at the location to find the child in good health, and Angelica was taken to Police Headquarters to speak to detectives. Information on this incident is still developing and will be released as it becomes available.

Thank you to the community for keep a vigilant eye out for Baby Eunice's location during this investigation.
