On March 29, 2020, at approximately 4:40 p.m., Phoenix Police officers were called to a house in the area of 23000 N. 40th Drive for a family fight. The caller advised that one of the roommates was acting strange and the other roommates wanted him to leave.

When the officers arrived on scene, they were directed to 22-year-old Jacob Emry Mcilveen. As the officers spoke to Mcilveen, he remained calm. The officers told him he would have to leave and helped him remove some of his property. At some point, while they were taking his property outside, Mcilveen slammed the front door on the officers.

Additional officers went back inside the house to contact Mcilveen once again. They could not see him, however they were able to talk to him while he remained upstairs. As the officers were climbing the stairs, Mcilveen came out of one of the rooms upstairs and began shooting at the officers. His shots struck Commander Greg Carnicle #5179, Officer Marissa Dowhan #10144 and Officer Alicia Hubert #10498. One of the other officers who had remained downstairs fired in the direction of Mcilveen.

The injured officers could not exit the house due to their injuries. Additional officers who were already on scene were able to extract the three injured officers and the house was secured. The Special Assignments Unit responded and attempted to negotiate Mcilveen's surrender.

After several hours, Mcilveen exited the residence armed with a handgun. An officer shot at Mcilveen stopping the threat. Mcilveen was pronounced deceased at the scene.

Commander Carnicle and Officers Hubert and Dowhan were transported to a local hospital where Commander Carnicle was pronounced deceased. Officers Hubert and Dowhan's injuries are serious and are expected to recover. There were no additional injuries.
