The manufacture & delivery to the work site of supply items such as sand, gravel, and ready-mixed concrete, when accomplished by bona fide material suppliers operating facilities serving the public in general, are activities not covered by DBRA. If a material supplier, manufacturer, or carrier undertakes to perform a part of a construction contract as a subcontractor, its laborers and mechanics employed at the site of the work would be subject to DBRA in the same manner as those employed by any other contractor or subcontractor.
