

PROJECT UPDATE – November 2023

University Drive / Riverview Drive from 7th Street to 16th Street

The City of Phoenix Street Transportation Department appreciates the community's participation and thoughtful input while it considered proposed changes to the section of University Drive / Riverview Drive from 7th Street to 16th Street.

In May 2023, the department shared options to add bike lanes with the community through a pre-recorded presentation and encouraged feedback via an online survey. The input gathered from that outreach effort and engineering judgment were taken into consideration as department staff selected the final design.

PROJECT DETAILS

- The department proposed multiple options that included adding bike lanes with on-street parking, or adding buffered bike lanes without on-street parking.

DECISION

- The decision is to add buffered bike lanes without on-street parking.

WHAT'S NEXT

- The new lane configuration is scheduled to be striped during winter 2023.
