

ANTICIPATED CONSTRUCTION FOR MARCH 7 THROUGH MARCH 20, 2016

WATERLINE:

During the week of **March 7**, the contractor will perform pressure and bacteria tests on the new 12-inch water main in preparation for final connections in Roosevelt Street.

3RD STREET:

Beginning Tuesday **March 8 through** Friday **March 11**, the contractor will form and pour the concrete traffic signal foundations on the northeast and southwest corners of Roosevelt and 3rd Streets. On Monday **March 14**, the contractor will begin concrete removal and replacement operations on the south side of Roosevelt Street beginning at 3rd Street and proceeding east.

TRAFFIC RESTRICTIONS:

On Monday **March 14**, traffic will be redirected to the north side of Roosevelt Street in preparation for work to begin on the south side of Roosevelt Street.

PEDESTRIAN ACCESS

Pedestrian access on the north and south sides of Roosevelt Street will be maintained for the upcoming special events:

- McDowell Mountain Music Festival
- Third Friday Event
- Art Detour Event

Construction activities will be buttoned up, and access to the **businesses will be open!!**

So Come and Enjoy the Festivities!
