

The City of Phoenix has contracted with Kiewit Construction and Achen Gardner Construction to install the Drought Pipeline Project between a future booster pump station near 22nd Street and Maryland Avenue to 20th Street and Orangewood Avenue. Construction started in May 2021.

Drought Pipeline Project:

22nd Street and Maryland Avenue to 20th Street and Orangewood Avenue Phoenix Water is building new pipelines and pump stations to ensure all customers will have access to safe, clean and reliable drinking water for generations to come. With shortages looming on the Colorado River, these improvements will provide a way to move water supplies to those areas at risk for shortage.

- Working hours will primarily be 6:00 AM to 4:00 PM, Monday through Saturday. Some construction may require night or Sunday work.
- Business, residential and pedestrian access will be maintained.
- No on-street parking will be allowed in the construction area.

Myrtle Tunnel and Myrtle Trail will be closed **July 19, 2021** and are scheduled to reopen in Fall 2021.

Current Construction Activities:

- Construction of the 66" pipeline will continue at 20th Street and Myrtle Avenue and proceed north through the Soka Gakkai International (SGI) USA Phoenix Buddhist Center parking lot and Myrtle Wash, to 20th Street & Northview Avenue.
- Construction is scheduled to start in this area on **July 12, 2021**.
- Myrtle Avenue and 20th Street will be restricted to local access only, with no through traffic.
- Water service interruptions are not expected.

Pipeline Construction Schedule:

May 2021 - March 2023

Current Construction Area(s)

66" Pipeline

Construction schedules are subject to change for a variety of reasons, including weather and personnel/material availability. The City of Phoenix and its contractors recognize the inconvenience of construction and we thank you for your patience and support!
